Application GRANTED. SO ORDERED.  
Dated: June 15, 2022

**RE: *Kim, et al. v. Weld Power Generator, Inc. et al.***  
**Civil Action No. 20 Civ. 10669 (SDA)**

Dear Judge Aaron:

This office represents the Plaintiffs in the above-referenced action. We write, jointly with counsel for Defendants, to respectfully request an extension of the current June 16, 2022 deadline for filing the parties' motion for settlement approval.

The reason for this request is that, while the parties are extremely close to finalizing one outstanding issue, they require additional time to discuss the agreement with their respective clients and obtain signatures. Accordingly, we respectfully request a one (1)-week extension, to June 23, 2022, to submit the settlement agreement and motion for approval.

This is the parties' second request for an extension of the deadline to submit their settlement agreement. The first request was filed on May 31, 2022 (Dkt. No. 48) and granted on June 1, 2022 (Dkt. No. 49).

We appreciate Your Honor's attention to this matter.

Respectfully submitted,

/s/ Brent E. Pelton
